DEDICATION OF CHURCH SCHOOL TEACHERS

(Continued from page 17)

hast called men and women of light and leading to the supremely important task of teaching. For this our hearts are profoundly grateful. We thank thee for the great scholars, theologians, saints who have grappled with the mysteries of the faith and translated the things of God so simply that ordinary people could understand. We thank thee for the towering men who have written the books, interpreting the Bible, making the faith intelligently clear and warmly acceptable to the prepared mind and heart of growing people. We bless thee for the tremendous fact that the Word has become flesh and that it has power to become incarnate in us. Today as teachers we enter a shining company of the undefeatable of whom the world is not worthy and we seek the wisdom and the patience, the high dedication and the love that will enable us to share the broken bread of our own body as Jesus did for the healing and restoration of men. Give us wisdom and give us grace that we may never fail thee. Through Jesus Christ our Lord. Amen.
